SENTENCE IN KNOTHOLE CASE

Lightfoot Again Talks Perjury and Is Answered by Cathcart.

Judge Cooper yesterday morning sentenced Nakamura and his seventeen Japanese associates, convicted last week of gambling. This is the case in which Attorney Lightfoot accused Chief of Detectives McDuffie and Officer Kelly of perjuring themselves on the witness stand. In his argument before Judge Cooper yesterday Lightfoot made his charges against the police more definite, and in addition spoke disparagingly of the jury for its methods of arriving at a verdict.

"I and my son are smarting from this verdict," said Lightfoot. "We went where McDuffie was and looked through the knothole the same as he did, and, having seen, know that his testimony that he saw them gambling was absolutely false and perjury. I don't believe that the honorable court believes these defendants guilty upon the testimony of those two officers."

City and County Attorney Cathcart addressed the court. "It would be unfair," he said, "to these two officers should I sit here and listen to the counsel for the defense pouring out the vitals of his wrath against them and make no reply. He calls McDuffie that fellow McDuffie. I do not think that counsel should lose his temper and call others names or brand them as perjurers in the open court. I believe that the verdict of the jury in this case is in accordance with the testimony given."

"The testimony of these officers was given in good faith and the material facts are true. These officers need no vindication at my hands—their work speaks for itself."

Two of the Japanese withdrew their appeals and accepted sentence; two were found guilty by the jury; three were fined \$50 and costs, and eleven were fined \$7 and costs. The case will probably be appealed to the supreme court.

COURT NOTES.

Chong Wa Pong, accused of selling opium without a license, yesterday pleaded guilty before Judge Cooper and sentence was suspended for thirteen months.

Joe Ferrate, charged with assault and battery, withdrew his appeal to the circuit court and was sent back to the district court to pay his fine.

Masano Nakamura was granted a divorce yesterday from Riuta Nakamura on the ground of desertion. Desertion is also the ground for divorce alleged in the petition of Miss Kikuta against Goro Kikuta.

Judge Robinson yesterday denied the motion of Edward Campbell, plaintiff in the damage suit against Hackfeld & Co., for a new trial.

DON'T STIMULATE EXHAUSTED NERVES

If You Would Be Cured Feed the Nerves by Using a Tonic That Will Nourish Them Through the Blood.

Every person is endowed with a certain amount of nervous energy which is being constantly drawn upon by the work, worry and responsibilities of our daily life. It is also largely drawn upon during the after-effects of wasting diseases, as fevers.

Unless these drains upon the nerves are replaced by nourishment from the blood, the nerves become overworked and exhausted and some form of nervous trouble results.

The value of the tonic treatment with Dr. Williams' Pink Pills lies in the fact that these pills do not stimulate the already exhausted nerves to keep up their work for a time longer but that they keep the blood pure and red and in that way fully replace the nervous energy that has been used up.

Mrs. Frances Clark, a dressmaker, of No. 1748-A Mission street, San Francisco, Cal., says:

"I suffered for about three years from nervous debility. I was very nervous and during most of the three years I could not sleep well. My stomach was quite bad and I was pale and somewhat run down. I was not able to work steadily."

"A friend urged me to take Dr. Williams' Pink Pills and upon doing so I felt better from the start. I took them for several weeks and gained ten pounds in weight and an able to work every day. I have recommended Dr. Williams' Pink Pills to many of my friends and always with good results."

If you are suffering from any nervous trouble, as neuralgia, sciatica, nervous headache, nervous prostration, nervous dyspepsia, St. Vitus' dance, partial paralysis or locomotor ataxia, send for our new booklet, "Diseases of the Nervous System," which is free upon request. This booklet explains how the health of the nerves depends on pure, red blood and shows what Dr. Williams' Pink Pills have accomplished in nervous diseases through their blood-building property.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.
